

Making an Easter Garden

We would like to invite children to create an Easter Garden. Some of them may remember the Easter Garden set up in Walgrave Church, which many of them helped to create.

The Easter Garden could be:

- A drawing.
- A painting.
- A 3D model using anything they wish for example cardboard boxes, containers, Lego or even Playdoh.
- A mini garden using soil, stones and plants.

Other ideas welcome too. If you need some inspiration have a look online at Easter Gardens images.

When they have finished their creation could someone please take a photograph of it and send it via email to us (walgravebenefice@gmail.com) and we'll love to display them on the website!
